before I went on leave next week.

2. Gordon Stewart advised me that General Cabell had asked him to stop by to talk about the overtime policy which the Career Council recently agreed upon. Gordon suspects that Ting Sheldon has appealed this matter to General Cabell. He will report to me the outcome of his conference.

3. I approved of Shef Edwards going on leave on the 15th and returning to headquarters on the 6th of September.

4. Attended a meeting of the Project Review Committee at which the Comptroller's recommendations for the Fiscal Year 1959 Operating Budget and the Fiscal Year 1960 Preliminary Estimates were approved. Personnel ceilings are to be taken up at a Deputies' Meeting so that the Director can personally give us his guidance.
